7 ^{appears to be} There are no rules for the election of members to Union Panchayats in Madras. The Mysore rules were drafted on the Bengal rules for unions. In the Bengal rules the payment of road-tax, which implies payment of land-tax, has been recognised as a qualification for voters. The omission of land-tax payment qualification affects land owners only with reference to the preparation of the first list of voters as during the preparation of subsequent lists house-tax becomes a necessary qualification as no exemptions from payment of house-tax in account of a person being an agriculturist will be recognised.

8 Under the ~~the~~ Mohatarpa rules all agriculturists are exempt from payment of house-tax, ~~and this~~ rural areas and this is the reason for the defect now noticed in the rules.

17. The qualification of literacy required by Rule 8 for candidates is a very useful & necessary one. If illiterate men are on the Panchajets the tendency will be for the literate Patel or Shanbae to have it all in his own way, removing the others. Moreover, all the members of the Panchajets should be able to ^{keep a do} watch the ~~monthly~~ accounts & keep touch with the instructions received from higher authorities from time to time.

I would suggest that in order to meet the rare cases where ^{a person} ~~one~~ though illiterate would be useful on the Panchajet, the Dy. Comr. be empowered to dispense with this qualification if he thinks fit. This can be secured by adding a proviso to Rule 8 as follows

"Provided that the Dy. Comr. may in any particular case, for reasons to be ~~recd~~ ^{recd} in writing, dispense with the qualification of literacy prescribed above."

S I R,

I have the honor to state that rules 7 and 8 of "the Village Panchayat Election Rules 1918" published with Government Notification No. 959/L.B. 6-18-2 dated 13th July 1918 prescribing qualifications of voters and candidates exclude persons paying land revenue to Government. As a result of these rules, many respectable ryots residing in the several villages who may be paying large amounts of land revenue to Government but not any mohatarfa, would be debarred from exercising either their privilege of election or of standing as candidates for memberships of the village panchayats. It is, therefore, considered necessary to include the payers of Land Revenue also in the lists of voters and candidates.

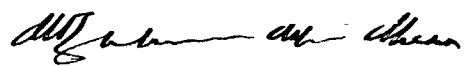

F

As these lists are to be prepared in connection with the constitution of the several Village Panchayats, I request early orders of Government on the point referred to above. I am of opinion that all pattadars resident for 6 months previous in the village may be given the privilege.

I have the honor to be,

Sir,

I have the honour to bring to the notice of Government that under para 7 of the Village Panchayet Election Rules published under Government Notification No. 959/L.B. 6-18-2 dated 13th July 1918, the minimum qualification of voters is the payment of house or mohatarfa taxes amounting to not less than a rupee. Landholders who are exempted from the payment of mohatarfa taxes are thus debarred from voting or competing at the elections of Panchayetdars. I request to be informed if it is the intention of Government to exclude such persons from being entered in the list of voters or candidates and to include only mohatarfa payees in the list.

Sir,

Adverting to the Village Panchayat Election Rules, 1918, published in Government Notification No.959-L.B.6-18-2 dated the 13th July 1918, I have the honour to state that Rule 7 regarding the qualification of voters requires a modification in respect of villages to be newly constituted into Panchayats which were not Unions in the past. This Rule restricts the right of voting to persons who have ~~not~~ paid some kind of mohatarfa tax within the village, such as, house-tax, shop-tax, tax on vacant sites and hittals or other mohatarfa. This is all right in the case of villages which hitherto were Unions, but in the case of villages which were not Unions and are now to be brought under the control of Village Panchayats this rule will keep out practically all the principal inhabitants ~~For~~, under the existing Mohatarfa rules, no person who is an agriculturist is required to pay house-tax, shop-tax or cart-tax and it is only the non-agriculturists who have to pay these mohatarfa taxes and if the Rule is allowed to stand at it is, only non-agriculturists will be eligible to vote at the elections. I, therefore propose that in the case of villages which were not hitherto Unions, but are to be newly brought under the control of Village Panchayats, persons who have paid a sum of not less than two rupees in the previous year, ^{as land assessment} may also,

2. Next as regards qualifications of candidates, I have to state that Rule 8. which requires that candidates should be literate, is likely, in almost all cases, to keep off the elderly Yejmans and other Headmen of communities. These are mostly illiterate but quite able and competent to discuss and give correct decisions in regard to the affairs of the village. It would be fatal to the proper working of these Village Panchayats if such persons are kept out. I would, therefore, recommend that in Rule 8, the words "and who, in addition, can read and write Kannada" may be omitted.

Sir,

With reference to Rule 7 of the Village Panchayet Rules 1918, published under Government Notification No. 959 L.B. 6-18-2 dated 13th July 1918, I have the honor to state that only persons paying house-tax, shop-tax, tax on vacant sites and hittals are included as being eligible to vote and this rule will suit only the existing Unions which will be constituted into Village Panchayets. As regards villages where no union exists and which are constituted into Village Panchayets as ordered in Government Notification No. 207-L.B. 95-17-6 dated 1st July 1918, the persons owning lands are exempted from the payment of house tax and Moha-tarfa cart-tax. Such persons under the existing rules of the - - qualification of voters will be excluded from the list of voters as well as of candidates eligible for election. To avoid this confusion insertion of a clause similar to Rule 3 X(a)&(c) of the - Rules for the election in new minor Municipal Councils published in Government Notification No. 600 M.L. 57-18-1 dated 8th July 1918, appears necessary.

I have the honor therefore to request you to kindly obtain early sanction of Government in the matter to facilitate the - - formation of the Panchayets.
